

# COMPANY PROFILE

**Driving Organization Performance For Excellence**

## ABOUT US

Leangreen Consult was formerly registered with Corporate Affairs Commission (CAC), in Nigeria, on 5th December 2018. Prior to its establishment, it operated under the parent company Leangreen Global Energy Services Limited, incorporated in 2012. Leangreen consult is highly skilled in restructuring & reorganization of business processes. The principal consultant and the management team have over 30 years combined experience in the oil and gas industry, hospitality industry, and fast moving consumer goods industry (FMCG). The Consulting firm is proficient in three key areas of management consultancy services. They are: Organisation Performance, Human Capital Development and Business Consulting. Leangreen Consult is known for driving organisational performance for excellence. The firm is also known for developing and producing empowered work force that improves operational efficiency and effectiveness. Leangreen Consult delivers 360 degree turn around with great assurance, when engaged in restructuring and reorganisation in all areas of supply chain management, Procurement and Accounts Payable, Logistics and Transport processes enabled by ERP solutions and Internal Control metrics.
